

November 2017 Town Council Meeting

From the Desk of Mayor Peggy R. Bell

The Town is committed to operating in a manner that is transparent. Each month I have the privilege and honor to represent the Town at various intergovernmental and community meetings, workshops and events that allow me to gain greater insight about the needs of our community. I also learn of best practices that have been implemented by other municipalities and organizations throughout the country that may help to improve the quality of life for residents within the Town. Below, is a brief report of the meetings and events that I attended since September 21, 2017.

October 10, 2017 – November 8, 2017

Date	Host /Location	Topic	Meeting Summary
10/10	Town of Cutler Bay	Parks Coalition Luncheon	Attended the South Florida Parks Coalition Luncheon with the Town Manager.
10/16	Town of Cutler Bay	South Dade Transit March	Attended Representative Kionne McGhee's South Dade Transit March, with Council Member Mixon.
10/17	Town of Cutler Bay	Solar Co-Op Information Session	Attended the FL SUN Solar Co-Op Information Session with Council Member Mixon, to learn about the ways to save money installing solar panels.

SMART Implementation Plan Charrettes

Transit supportive land use plays a critical role in the success of major rapid transit investments. The Miami-Dade TPO is now examining this interrelationship to complement the SMART Plan, which is intended to help achieve community goals through integrating transportation land use planning and development of strategies.

SMART Implementation Plan Charrettes
 Two (2) series of charrettes will be conducted for the South Corridor, which runs from the Metrorail Oudland South Station to Florida City (SW 344 Street). The first corridor charrette series will be conducted in December. Charrettes are intensive planning sessions where citizens, designers and others will be collaborating on a vision for the Corridor. The Charrettes will be organized to encourage the participation of everyone who is interested in the making of a vision for the Community: interested residents, business owners, associations, government, the development community and activists.
