

TOWN OF CUTLER BAY AMENDMENT NO. 1 TO EMERGENCY ORDER NO. 20-07

The effects of COVID-19 continue to require extraordinary and immediate actions by the Town of Cutler Bay in order to further protect the community's health, safety, and welfare. According to the Centers for Disease Control (the "CDC"), COVID-19 spreads mainly from person to person through respiratory droplets produced when an infected person coughs, sneezes, or talks. These droplets can land in the mouths or noses of people who are nearby or may be inhaled into the lungs. According to the CDC, due to COVID-19's transmission method, it is critical to maintain six feet distancing to slow the spread of the virus. According to the CDC, where social distancing is difficult to maintain, the wearing of a face covering/mask helps avoid the spread of COVID-19 by providing an extra layer of protection to help prevent respiratory droplets from traveling in the air and onto other people.

By virtue of the powers and duties vested in me as the Town Manager of the Town of Cutler Bay, Miami-Dade County, Florida, in accordance with Section 252.38 of the Florida Statutes, under Chapter 12, Article II, Sec. 12-23 (a) of the Town Code, and pursuant to the Town's Declaration of a State of Emergency issued on March 13, 2020, I hereby find that it would further mitigate the spread of the COVID-19 virus and serve the health, safety and welfare of the residents of Cutler Bay to order as follows:

A. Town of Cutler Bay Emergency Order 20-07 is replaced in its entirety with the following:

1. **Masks and Facial Coverings.** The Town of Cutler Bay adopts Amendment No. 1 to Miami-Dade County Emergency Order No. 20-20 relating to masks or other facial coverings, which is attached hereto as **Exhibit A**.
2. **Repealing Town of Cutler Bay Emergency Order No. 20-01.** Town of Cutler Bay Emergency Order No. 20-01 remains repealed and superseded by this Order effective as of June 27, 2020 at 12:01 a.m.
3. **Conflicts.** All emergency orders, or parts of orders, in conflict with this Emergency Order are repealed to the extent of such conflict.

No person shall violate the terms of this Emergency Order, except upon direct authorization of the Town of Cutler Bay Police Department. Any violation of this Emergency Order shall be subject to fine, imprisonment, or both in accordance with Section 12-31 of the Town Code. In addition, any business that allows a person to violate this Emergency Order may be subject to closure.

This Emergency Order shall be effective **commencing July 2, 2020 at 2:00 p.m. (EST)** and shall continue in effect from day-to-day until the State of Emergency issued on March 13, 2020 is declared to be terminated by the Town Manager or Town Council in accordance with Section 12-24 of the Town Code. This Emergency Order may be cancelled earlier by action of the Town Manager.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the Town of Cutler Bay to be affixed this 2nd day of July, 2020 at 5:00 p.m. (EST).

WHEREAS, on March 9, 2020, the Governor of Florida issued Executive Order No. 20-52, declaring a State of Emergency for the State of Florida related to COVID-19; and

WHEREAS, on March 12, 2020, the County Mayor declared a Local State of Emergency for all of Miami-Dade County related to COVID-19; and

WHEREAS, COVID-19 is transmitted by infected persons expelling respiratory droplets containing virus particles when they breathe, talk, cough, sneeze, or raise their voice, which are then ingested or inhaled by persons around them; and

WHEREAS, many persons infected by COVID-19 are contagious while they are asymptomatic, and can therefore spread the disease unwittingly; and

WHEREAS, masks and other facial coverings are a simple barrier to help prevent respiratory droplets from traveling into the air and onto other people when the person wearing the facial covering coughs, sneezes, talks, or raises their voice; and

WHEREAS, on April 9, 2020, Miami-Dade County issued Emergency Order 20-20, which required persons inside buildings to wear facial coverings consistent with the United States Centers for Disease Control and Prevention (CDC) guidelines; and

WHEREAS, the governor of Florida has stated that local jurisdictions are authorized to enact mask or facial covering orders as may be needed to address local circumstances; and

WHEREAS, on June 20, 2020, Dr. Scott Rivkees, the State Surgeon General, issued a Public Health Advisory recommending that "all individuals in Florida should wear facial coverings in all settings where social distancing is not possible"; and

Miami-Dade County Declaration of Local State of Emergency

WHEREAS, the CDC continues to recommend that persons wear facial coverings, including masks and other facial coverings, in situations where it is difficult to attain social distancing, in order to help control the spread of COVID-19, as described at the following link: <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/cloth-face-cover-guidance.html>; and

WHEREAS, these CDC recommendations, and the findings they are based on, are incorporated herein by reference; and

WHEREAS, medical experts and epidemiologists at the University of Miami, Florida International University, and Jackson Health System have provided recommendations to the County indicating that wearing of masks and other facial coverings is an effective method of reducing the spread of COVID-19 throughout the community; and

WHEREAS, COVID-19 cases have recently spread rapidly in Miami-Dade County; and

WHEREAS, currently, since March, nearly 40,000 County residents have tested positive for COVID-19, and 1,000 have died of the disease; and

WHEREAS, the long-term effects of COVID-19 on persons who recover are currently unknown; and

WHEREAS, hospital capacity and medical availability is diminishing as COVID-19 patients require hospitalization, which will limit the ability of hospitals to perform discretionary medical procedures and may impact the delivery of life saving services; and

WHEREAS, trying to control the spread of COVID-19 through business closures, while sometimes necessary, imposes a substantial economic cost on local businesses and their employees; and

WHEREAS, widespread, consistent usage of masks and other facial coverings will help the County to avoid future business closures, provide confidence to business customers and tourists, and help limit economic harm to the community; and

WHEREAS, wearing masks and other facial coverings is a more cost-effective means of addressing the COVID-19 pandemic than are business closures, quarantines, or other solutions; and

WHEREAS, as of June 30, 17 states have issued orders requiring the wearing of a face covering in public to reduce the spread of COVID-19; and

WHEREAS, this amendment requires persons to wear a mask or other facial covering while in public, subject to certain exceptions; and

WHEREAS, based on the guidance of the medical community, and in light of the ongoing spread of COVID-19 in the County, I find it is necessary to issue mandatory guidelines to limit the spread of COVID-19, preserve hospital capacity, and prevent unnecessary loss of life and health; and

WHEREAS, section 8b-7(2)(o) of the Code of Miami-Dade County authorizes the County Mayor to issue any order as may be necessary for the protection of human life and health; and

WHEREAS, section 252.46, Florida Statutes, authorizes the County to issue emergency orders as necessary to protect life and health,

THEREFORE, as County Mayor of Miami-Dade County, I hereby order:

A. Emergency Order 20-20 is replaced in its entirety by the following:

1. All persons throughout Miami-Dade County shall wear a mask or other facial covering when in public, except as set forth in paragraph (3) below.
2. A mask or other facial covering shall comply with the recommendations of the CDC, as such recommendations may change from time to time. The current CDC guidelines recommend wearing a mask or facial covering which snugly covers the face and mouth, whether store bought or homemade, which is secured with ties or ear loops, include multiple layers of fabric, allow for breathing without restriction, and which is able to be laundered and machine dried without damage or losing shape. Examples of compliant homemade masks and other facial coverings may be found at:

<https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/diy-cloth-face-coverings.html>.

Persons should not utilize N95 rated masks, as those are critical supplies for health care workers, police, fire, emergency management, or other persons engaged in life/safety activities. Persons wearing facial coverings should review the CDC and Florida Department of Health guidelines regarding safely applying, removing, and cleaning such coverings, which are found at:
