## Memorandum – Signature Request

**TO:** Shawn Hamilton, Interim Deputy Secretary, Land and Recreation *SH*

**THROUGH:** Callie DeHaven, Director, Division of State Lands

**FROM:** Rebecca Wood, Program Manager, Land and Recreation Grants *RW*

**SUBJECT:** Florida Recreation Development Assistance Program (FRDAP)  
FY2020-2021 Second Revised Recommended Applicant Priority List

**DATE:** February 11, 2020

Due to issues with the Grants Management System, the City of Casselberry was initially awarded 72 points for its Wheel Park project. However, upon verification, the City actually scored 92 points on its submitted application moving the project from #31 to #10 in project ranking for Large Development. Attached for your approval is the FY2020-2021 Second Revised Recommended Applicant Priority List for the Florida Recreation Development Assistance Program (FRDAP). Funding for this program is contingent upon an appropriation of funds by the Legislature.

Number of Projects	Type	Amount
0	Small Acquisition	\$0.00
40	Large Development	\$7,492,750.00
92	Small Development	\$4,600,000.00
1	Large Trail	\$200,000.00
1	Small Trail	\$50,000.00
<b>Eligible Projects: 134</b>		<b>\$12,342,750.00</b>
<b>Ineligible Projects: 62</b>		<b>\$4,879,780.00</b>
<b>Total: 196</b>	<b>Total:</b>	<b>\$17,222,530.00</b>

This year the FRDAP program received 196 applications of which 134 projects were scored and ranked. The approved applicant priority list will remain in effect until June 30, 2020. Should an applicant decline approved FRDAP funds prior to that date, the funds will be offered, in descending order, to the unfunded applicants on the priority list, if applicable. An applicant may withdraw from funding consideration at any time, at their request.

The remaining 62 applications were deemed ineligible for funding consideration because they did not meet the program requirements. The ineligible list is also included for your review.
