Moving to a New Normal

Mayor Carlos A. Gimenez's *Initial Reopening Plan* identifies non-essential businesses allowed to open Monday, May 18 with stringent capacity and safety rules in place. Businesses may wish to enforce more stringent guidelines or procedures. Municipalities may choose to follow Miami-Dade County's guidelines or enact stricter requirements, but they cannot be more lenient. In addition, some businesses cannot reopen until a later date.

#2020Census

The results of the #2020Census will inform decisions and proportionately allocate hundreds of billions of dollars in federal funding to communities across the country based on the amount of people that get counted—that includes hospitals, fire departments, school lunch programs, and other critical programs and service. It will also determine how many seats in Congress each state gets. Responding can be done online, by phone, or by mail and should take just a few minutes to do. You should have received your invitation in the mail already with instructions on how to participate. If you have not, the Census will be sending additional mailings soon. If you have any questions about the 2020 Census, contact Florida's Census Regional office at (470) 889-6800.
