BETWEEN TOWN OF CUTLER BAY AND**

---

THIS IS A CONTRACT FOR CONSTRUCTION ("Contract"), dated \_\_\_\_\_ ("Effective Date") by and between TOWN OF CUTLER BAY, FLORIDA, a Florida municipal corporation, (hereinafter referred to as "Town"), and \_\_\_\_\_, a Florida corporation (hereinafter referred to as "Contractor".)

**W I T N E S S E T H**

**WHEREAS**, the Town solicited bids for the construction of TOWN OF CUTLER BAY BIKE/PEDESTRIAN FACILITIES IMPROVEMENT ("Project") through Invitation to Bid No.19-12; and

**WHEREAS**, the Contractor responded to the Town's solicitation by submitting its bid ("Bid"), attached and incorporated hereto as Exhibit "A"; and

**WHEREAS**, after review and consideration of all submitted bids, the Town Manager recommended the Contractor to \_\_\_\_\_ (the "Work") for the Project; and

**WHEREAS**, on \_\_\_\_\_, pursuant to Resolution No. 19-\*\*, attached and incorporated hereto as Exhibit "B", the Town Council approved the Contractor to perform the Work and authorized the Town to contract with the Contractor to perform the Work for the Project; and

**NOW, THEREFORE**, in consideration of the mutual covenants and conditions contained herein, the Contractor and the Town agree as follows:

**ARTICLE 1  
SCOPE OF WORK**

- 1.1 Contractor shall perform the Work as set forth in the Base Bid Form attached hereto as Exhibit "A" and incorporated herein by reference.
- 1.2 Contractor shall perform all necessary tasks in order to complete the Work.

- 1.3 All Work under this Agreement shall be in an amount not to exceed \$\_\_\_\_\_. Contractor bears the risk and responsibility that compensation may not be amended due to delay or extensions of time.

## ARTICLE 2

### TERM

- 2.1 The initial work order will be substantially completed, as determined by the Town, within one hundred thirty-five (135) calendar days. The Work shall commence within thirty (30) days of the Effective Date of this Contract. The Work shall be completed and ready for Final Payment in accordance with section 14.7 of the General Conditions, attached hereto and incorporated herein as Exhibit "C" ("General Conditions"). The Town may allow extended daily working hours and work on weekends if requested by Contractor with advanced notice and approved by the Town in writing.

## ARTICLE 3

### BENCHMARKS AND REMEDIES FOR BREACH

- 3.1 Contractor shall be instructed to commence each phase of the Work as specified in the written form of a Notice to Proceed ("Notice to Proceed") issued by the Town Manager. Contractor acknowledges and agrees that the Town shall have no obligation to issue a Notice to Proceed for the Work or any portion thereof. Each Notice to Proceed issued by the Town will provide for a commencement date for the Work, or a portion thereof, and required completion dates for the Work, or portion thereof, including Substantial Completion, as defined in section 1.01(43) of the General Conditions, and final completion dates. A Notice to Proceed will not be issued until Contractor's submission to Town of all required documents and execution of this Contract.
- 3.2 Contractor and Town agree time is of the essence for performance of this Contract. The Work, or any portion thereof, shall not commence until the date specified in the Notice to Proceed. The Work, or any portion thereof, shall achieve Substantial Completion and final completion, as determined at the discretion of the Town, within the number of days specified in the applicable Notice to Proceed. The Contractor shall prosecute all Work with faithfulness and diligence.
- 3.3 **Liquidated Damages.** Owner and Contractor recognize that time is of the essence of this Contract and that Owner will suffer financial loss and other damages if the Work is not substantially or finally complete within the time specified in paragraph 2.1 above, plus any extensions thereof allowed in accordance with Article 12 of the General Conditions. They also recognize the expense and difficulties involved in proving in a legal or arbitration proceeding the actual loss suffered by Owner if the Work is not substantially or finally complete on time. Contractor acknowledges and agrees that the actual delay damages which Owner will suffer in the event of delay in achieving Substantial Completion or Final Completion of the Work are difficult, if not impossible, to determine and that the liquidated damages described herein are a fair and reasonable estimate of the delay damages which the

Owner is expected to suffer in the event of such delay. Accordingly, instead of requiring any such proof, Owner and Contractor agree, that as liquidated damages for delay (but not as a penalty), Contractor shall pay Owner in accordance with FDOT Specifications Table below for each day that expires after the time specified in Paragraph 2.1 for Substantial Completion until the Work is substantially complete. Liquidated damages shall be deducted from the Contractor's Applications for Payment. However, if at the time of the Contractor's Final Application for Payment, Contractor is owed insufficient amounts to fully cover the deduction for liquidated damages, then Contractor shall pay any amount due within ten (10) days of written demand by Owner.

**FDOT Specifications Table**

**Amount of Liquidated Damages:** Applicable liquidated damages are the amounts established in the following schedule:

Original Contract Amount	Daily Charge Per Calendar Day
\$50,000 and under.....	\$1,015
Over \$50,000 but less than \$250,000.....	\$1,045
\$250,000 but less than \$500,000.....	\$1,170
\$500,000 but less than \$2,500,000.....	\$1,690
\$2,500,000 but less than \$5,000,000.....	\$2,579
\$5,000,000 but less than \$10,000,000.....	\$3,756
\$10,000,000 but less than \$15,000,000.....	\$4,344
\$15,000,000 but less than \$20,000,000.....	\$5,574
\$20,000,000 and over.....	\$10,203 plus 0.00005 of any amount over \$20 million (Round to nearest whole dollar)

- 3.4 Recognizing the impossibility of ascertaining the precise amount of damages that will be sustained by Town as a consequence of such delay, Liquidated Damages are hereby fixed and agreed upon between the parties. The parties have agreed upon on Liquidated Damages to obviate any question or dispute regarding the amount of damages and costs and effect of Contractor's failure to complete the Work within the applicable timeframe. The above-stated Liquidated Damages shall apply separately to each phase of the Project for which a time for substantial and/or final completion is given pursuant to a Notice to Proceed.
  
- 3.5 The Contractor hereby agrees that the Town is authorized to deduct the Liquidated Damages from monies due to Contractor for the Work pursuant to this Contract. In the event that the amount of Liquidated Damages due to the Town by Contractor exceeds the payment or monies due to the Contractor pursuant to this Contract, the Contractor shall be liable and shall immediately, upon demand by Town, make payment to the Town in the amount of said excess.

**ARTICLE 4**  
**CONTRACT PRICE**

- 4.1 Pursuant to a Notice to Proceed, the Town shall pay to the Contractor for the performance of the Work, or any portion thereof, completed for the prior month based on the Unit Pricing as set forth in Exhibit A, subject to the conditions, limitations, and restrictions of Section 4.4 herein and in accordance with the General Conditions. The unit price shall be full compensation for all costs, including overhead and profit, associated with completion of the Work, or any portion thereof, as authorized by the applicable Notice To Proceed and in full conformity with the requirements as stated or shown, or both, in the Plans and Specifications, as defined in the General Conditions.
- 4.2 The sum set forth in Section 4.1 shall constitute the Contract Price which shall not be modified except by a Change Order issued by the Town or as otherwise specified herein.
- 4.3 The Contract Price may be adjusted by the Town pursuant to section 12 of the General Conditions. The Town has no obligation to adjust the Contract Price as Contractor bears the risk that the Contract Price does not exceed the amount as stated in Article 1 of this Contract.
- 4.4 Town and Contractor agree that this Contract, and any Work authorized pursuant to this Contract, shall be subject to the condition precedents that Town funds are available, appropriated, and budgeted for the accomplishment of the Work, or any portion thereof, for this Project, and that the Town secures and obtains any necessary loans, grants, or proceeds necessary for the accomplishment of this Project pursuant to a duly authorized Town borrowing enabling ordinance and any loan implementing resolution, or acceptance resolution, adopted by the Town Council as described in the Town Council resolution which awards and authorizes the execution of this Contract.
- 4.5 Town shall make progress payments on the basis of Work completed and Contractor's Application for Payment(s), as defined by section 1.1(3) of the General Conditions, on or before thirty (30) days after receipt of the Application for Payment so long as it also complies with section 14 of the General Conditions of the Contract Documents. Rejection of an Application for Payment by the Town shall be within twenty (20) days after receipt of the Application for Payment. Any rejection shall specify the applicable deficiency and necessary corrective action. Any undisputed portion shall be paid as specified above. All such payments will be made in accordance with the Schedule of Values established in section 14.1 of the General Conditions, or, in the event there is no Schedule of Values, then payments will be made for Work completed as provided in Article 3 of this Contract.
- 4.5.1 In the event the Contract Documents do not provide a Schedule of Values or other payment schedule, Applications for Payment shall be submitted monthly by Contractor on or before the 10th of each month for the prior month. Progress payments shall be made in an amount equal to the percentage of Work completed, but, in each case, less the aggregate of payments previously made and less such amounts as Town shall determine, or, Town may withhold taking into account the

aggregate of payments made and the percentage of Project completion in accordance with the Contract Documents and Schedule of Value, if any.

- 4.5.2 The Contractor agrees that ten percent (10%) of the amount due for each progress payment, or Application for Payment, shall be retained by Town (the "Retainage") until final completion and acceptance of the Work by Town. In the event there is a dispute between the Contractor and the Town concerning an Application For Payment, dispute resolution procedures shall be conducted by the Town commencing within forty-five (45) days of receipt of the disputed Application for Payment. The Town shall reach a conclusion within fifteen (15) days thereafter and promptly notify Contractor of the outcome, including payment, if applicable.
- 4.6 Each Application for Payment shall include an affidavit, or partial release, or waiver of lien by Contractor indicating that partial payments received from Town for the Work have been applied by Contractor to discharge in full all of Contractor's obligations, including payments to subcontractors and material suppliers.
- 4.7 The payment of any Application for Payment by Town, including the final request for payment, does not constitute approval or acceptance by Town of any item of the Work reflected in such Application for Payment, nor shall it be construed as a waiver of any of the Town's rights hereunder or at law or in equity.

The foregoing indemnification shall not constitute a waiver of sovereign immunity beyond the limits set forth in Florida Statutes, Section 768.28. Nor shall the same be construed to constitute agreement by the Agency to indemnify the Agency's Contractor for the negligent acts or omissions of the Agency's Contractor, its officers, agents, or employees, or third parties. Nor shall the same be construed to constitute agreement by The Agency to indemnify, the Department for the negligent acts or omissions of the Department, its officers, agents, or employees, or third parties. - 6.5 In any and all claims against the Town or any of their consultants, agents or employees by any employee of Contractor, any Subcontractor, any person or organization directly or indirectly employed by any of them to perform or furnish any of the work or anyone for whose acts any of them may be liable, the indemnification obligation under the above paragraph shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for Contractor or any such Subcontractor or other person or organization under workers or workman's compensation acts, disability benefit acts or other employee benefit acts.
- 6.6 It is the specific intent of the parties hereto that the foregoing indemnification complies with Florida Statute 725.06 (Chapter 725). It is further the specific intent and agreement of the parties that all of the Contract Documents on this project are hereby amended to include the foregoing indemnification and the "Specific Consideration" therefore.

The Contractor shall be responsible for assuring that the insurance certificates required by this Section remain in full force and effect for the duration of this Contract, including any extensions or renewals that may be granted by the Town.

The Certificates of Insurance shall not only name the types of policy(ies) provided, but also shall refer specifically to this Contract and shall state that such insurance is as required by this Contract. The Town reserves the right to inspect and return a certified copy of such policies, upon written request by the Town.

If a policy is due to expire prior to the completion of the Work, renewal Certificates of Insurance shall be furnished thirty (30) calendar days prior to the date of their policy expiration. Each policy certificate shall be endorsed with a provision that not less than thirty (30) calendar days' written notice shall be provided to the Town before any policy or coverage is cancelled or restricted. Acceptance of the Certificate(s) is subject to approval of the Town.

- g. **Additional Insured.** The Town is to be specifically included as an Additional Insured for the liability of the Town resulting from Work performed by or on behalf of the Contractor in performance of this Contract. The Contractor's insurance, including that applicable to the Town as an Additional Insured, shall apply on a primary basis and any other insurance maintained by the Town shall be in excess of and shall not contribute to the Contractor's insurance.

The Contractor's insurance shall contain a severability of interest provision providing that, except with respect to the total limits of liability, the insurance shall apply to each Insured or Additional Insured (for applicable policies) in the same manner as if separate policies had been issued to each.

- h. **Deductibles.** All deductibles or self-insured retentions must be declared to and be reasonably approved by the Town. The Contractor shall be responsible for the payment of any deductible or self-insured retention in the event of any claim.

- 8.1.4 Contractor has had the opportunity and made, or caused to be made, examinations, investigations, tests and/or studies as necessary to determine surface and subsurface conditions at or on the Project site. Contractor acknowledges that the Town does not assume responsibility for the accuracy or completeness of information and data

shown or indicated in the Contract Documents with respect to underground or ground facilities at, contiguous or near the Project sites or for existing improvements at or near the sites. Contractor has obtained and carefully studied (or assumes responsibility for having done so) all such additional supplementary examinations, investigations, explorations, tests, studies and data concerning conditions (surface, subsurface and underground facilities and improvements) at, contiguous or near to the site or otherwise which may affect cost, progress, performance or furnishing of the Work or which relate to any aspect of the means, methods, techniques, sequences and procedures of construction to be employed by Contractor and safety precautions and programs incident thereto. Contractor does not consider that any additional examinations, investigations, explorations, tests, studies or data are necessary for the performance and furnishing of the Work at the Contract Price, within the Contract Time and in accordance with the other terms and conditions of the Contract Documents.

- 8.1.5 Contractor is aware of the nature of work to be performed by the Town and others at the site that relates to the Work as indicated in the Contract Documents.
  - 8.1.6 Contractor has correlated the information known to Contractor, information and observations obtained from visits to the Project site, reports and drawings identified in the Contract Documents and all additional examinations, investigations, explorations, tests, studies and data with the Contract Documents.

The Contractor shall cause all materials and other parts of the Work to be readily available as and when required or needed for or in connection with the construction, furnishing and equipping of the Project
- 8.2 Contractor further warrants and covenants the following:
- 8.2.1 **Anti-Discrimination.** Contractor agrees that it will not discriminate against any employees or applicants for employment or against persons for any other benefit or service under this Contract because of race, color, religion, sex, national origin, or physical or mental handicap where the handicap does not affect the ability of an individual to perform in a position of employment, and agrees to abide by all federal and state laws regarding non-discrimination.

- 8.2.2 **Anti-Kickback.** Contractor warrants that no person has been employed or retained to solicit or secure this Contract upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, and that no employee or officer of the Town has any interest, financially or otherwise, in the Project.

For breach or violation of this warranty, the Town shall have the right to annul this Contract without liability or, in its discretion, to deduct from the Contract Price or consideration, the full amount of such commission, percentage, brokerage or contingent fee.

- 8.2.3 **Licensing and Permits.** Contractor warrants that it shall have, prior to commencement of Work under this Contract and at all times during said Work, all required valid licenses and permits in compliance with all federal, state, county or Town regulations and laws. Contractor acknowledges that it is the obligation of Contractor to obtain all licenses and permits required for this Work for the Project.

- 8.2.4 **Subletting or Assigning of Contracts.** Do not, sell, transfer, assign or otherwise dispose of the Contract or Contracts or any portion thereof, or of the right, title, or interest therein, without written consent of the Department. If the Contractor chooses to sublet any portion of the Contract, the Contractor must provide a written request to sublet work on the Certification of Sublet Work form developed by the Department for this purpose. With the Engineer's acceptance of the request, the Contractor may sublet a portion of the work, but shall perform with its own organization work amounting to not less than 40% of the total Contract amount. The Certification of Sublet Work request will be deemed acceptable by the Department, for purposes of the Department's consent, unless the Engineer notifies the Contractor within 5 business days of receipt of the Certification of Sublet Work that the Department is not consenting to the requested subletting.

Include in the total Contract amount the cost of materials and manufactured component products, and their transportation to the project site. For the purpose of meeting this requirement the Department will not consider off-site commercial production of materials and manufactured component products that the Contractor purchases, or their transportation to the project, as subcontracted work.

If the Contractor sublets a part of a Contract item, the Department will use only the sublet proportional cost in determining the percentage of subcontracted normal work.

Execute all agreements to sublet work in writing and include all pertinent provisions and requirements of the Contract. All other agreements must be in writing and reference all applicable Contract provisions. Upon request, furnish the Department with a copy of the subcontract and agreement. The subletting of work does not relieve the Contractor or the surety of their respective liabilities under the Contract.

The Department recognizes a subcontractor only in the capacity of an employee or agent of the Contractor and the Engineer may require the Contractor to remove the subcontractor as in the case of an employee.
