**LEGAL DESCRIPTION OF EASEMENT AREA IS ATTACHED
HERE TO AS EXHIBIT "A" AND MADE A PART HEREOF.**

Title. GRANTOR does hereby warrant that it has title to the above described property, that it has full power and authority to grant this Easement, and that it will defend title to said land against the lawful claims of all persons whomsoever, claiming by, through or under it.

Term. This Grant of Easement shall be in effect for a term of thirty (30) years, commencing on the Effective Date of this Easement (as hereinafter defined), and shall renew automatically for successive ten (10) year period(s) unless terminated sooner by either Party as provided for herein. The effective date of this Easement shall be the date on which the last of the Parties initials or executes this Easement ("**Effective Date**"). The Parties further understand and

agree that this Easement is subject to automatic reversion to GRANTOR in accordance with the terms and conditions hereof, including but not limited to, in the event of expiration, abandonment, termination, cancellation, unauthorized assignment or material default.

Work to be performed. As a condition of this Easement, GRANTEE hereby covenants and agrees that it shall perform any and all work necessary to facilitate the placement of the Shelter within the Easement Area, including but not limited to, design, permitting, installation and construction, and relocation of the School's immediately adjacent perimeter fence ("School fence") and any impacted landscaping to an area immediately adjacent to the Easement Area, at the GRANTEE'S sole cost and expense. All work to be performed within the Easement Area shall be done by duly licensed and insured contractors, pursuant to all required permits from all applicable jurisdictional agencies, and said permits shall be duly closed upon completion of the work, without demand. GRANTEE shall provide proof of closure of all required permits to GRANTOR within thirty (30) days of request to provide same. At such time as the Shelter is removed by GRANTEE in the future, GRANTEE shall restore the Easement Area as provided for herein.

Safety. Prior to commencing any work within the Easement Area, including removal and relocation of the School fence, GRANTEE shall submit to the School Administrator a detailed plan, acceptable to the School Administrator in his/her sole authority, delineating how the GRANTEE and/or its contractors will implement all necessary safety measures within and around the Easement Area, due to the GRANTEE's construction activities.

GRANTEE shall cause its contractor to indemnify and hold harmless GRANTOR, and its officers, employees, and agents, from and against any and all claims, suits, actions, damages or causes of actions arising from or in connection with the contractor and/or its employees and agents, in their use and occupancy of the Easement Area, for any personal injury, loss of life or damage to property sustained in or about the Easement Area. In addition, as a condition precedent to the commencement of any work within the Easement Area, including removal and relocation of the School fence, GRANTEE'S contractor shall provide proof of the following minimum levels of insurance: (1) Commercial General Liability Insurance in an amount not less than \$1 Million combined single limit per occurrence for bodily injury and property damage, (2) Automobile Liability Insurance covering all owned, non-owned and hired vehicles used in connection with the operations of the GRANTEE's contractor, in an amount not less than \$1 million combined single limit per occurrence for bodily injury and property damage, (3) Workers' Compensation Insurance for all employees of GRANTEE's contractor as required by Florida Statutes, and (4) Property Insurance- "All Risk" property Insurance on any such new buildings or structures, machinery or equipment. The amount of the insurance shall be no less than the estimated replacement value at the time of completion. "The School Board of Miami-Dade County, Florida and its members, officers and employees" shall be an additional insured on all liability coverages except Workers' Compensation Insurance.

Taxes and Regulatory Compliance. GRANTEE shall be responsible for collection and payment of any taxes, fees or other assessments, including but not limited to sales tax and ad valorem tax, all licenses, permits or other taxes, which may be imposed on the Easement Area or the School, which is due as a result of the use and occupancy of the Easement Area by GRANTEE. The Parties further agree that if at any time during the term of this Easement, there is a requirement by any jurisdictional entity for infrastructure improvements or other regulatory compliance due to GRANTEE's use or occupancy of the Easement Area, GRANTEE acknowledges and agrees that it shall be responsible for compliance with all applicable requirements, at GRANTEE's sole cost and expense. Non-compliance with provisions of this article shall be deemed a material breach of this Easement.

Liens. GRANTEE shall permit no liens to be filed or attached to the Easement Area or School for any reason whatsoever, including, but not limited to, as a result of the work performed by GRANTEE or its contractor pursuant to this Easement. Should any lien be filed, GRANTEE shall cause said lien to be paid off or bonded off within thirty (30) days of its filing, at GRANTEE's sole cost and expense.

Insurance and Indemnification by GRANTEE. GRANTEE shall indemnify and hold harmless GRANTOR, and its officers, employees, and agents, subject to and to the extent of the limitations included within Section 768.28, F.S., as it may be amended from time to time, from and against any and all claims, suits, actions, damages or causes of actions arising from or in connection with the GRANTEE'S, and/or its employees, and agents, use and occupancy of the Easement Area, for any personal injury, loss of life or damage to property sustained in or about the Easement Area. This provision shall survive the abandonment, expiration or early termination or cancellation of this Easement.

GRANTEE shall provide GRANTOR with proof of insurance in the types and amounts of coverage as required by the GRANTOR, including but not limited to Commercial General Liability Insurance, or as may be amended from time to time by the Parties or their designees, and naming "The School Board of Miami-Dade County, Florida, its employees and agents", as additional insured on the Commercial General Liability Insurance. Proof of coverage shall be provided to GRANTOR on an original certificate of insurance endorsed to reflect a minimum thirty (30) day advanced notice of cancellation. The certificate of insurance shall be delivered to GRANTOR on or before the Commencement Date of this Easement, and shall remain in full force and effect during the term of this Easement, and GRANTEE shall furnish GRANTOR evidence of renewals of such insurance policy no less than thirty (30) days prior to the expiration of the then current policy. In the event GRANTEE elects not to repair or replace the improvements located therein, GRANTEE shall remove the Shelter and all improvements constructed by GRANTEE within the Easement Area and restore the Easement Area to the same or better condition as existed on the Effective Date of this Easement, including relocating the School fence to the School's property line, and as may be required in order to comply with all applicable laws. GRANTEE shall perform such tasks and shall replace, remove and/or repair all such items from or within the Easement Area as may be required to accomplish the foregoing, at GRANTEE'S sole cost and expense. In the event GRANTEE elects to vacate the Easement Area, this Easement shall automatically terminate and all rights hereunder shall automatically revert to the GRANTOR. Termination of this Easement shall be self-operative; however, GRANTEE shall execute any and all documentation, in recordable form, as proof of termination within thirty (30) calendar days of request by the GRANTOR.

The GRANTEE shall repair any damage to the Easement Area resulting from the negligence of GRANTEE, or the negligence of its agents, representatives and employees. Furthermore, GRANTEE shall repair any damage to the Easement Area resulting from vandalism, abuse or third party negligence. All costs associated with this Easement, of whatever nature, including Acts of God, shall be borne by GRANTEE.

Assignment. GRANTEE shall not, at any time during the term of this Easement, sublet in part or whole the Easement Area, or assign, transfer, sublet, mortgage or otherwise dispose of its interest in the Easement, or any portion or part thereof or permit said Easement Area to be occupied by other persons, firms, corporations, or governmental units without the GRANTOR'S prior written consent, which consent may be withheld in the GRANTOR'S sole discretion.

Advertising. Any advertising located within the Easement Area shall be appropriate for placement adjacent to a public school and in accordance with School Board Policy, as it may be amended from time to time, as determined solely by GRANTOR.

In accordance with Sections 1012.32, 1012.465 and 435.04, Florida Statutes, and as each may be amended from time to time, and School Board Policies, and as same may be amended from time to time, GRANTEE agrees that all of its employees, agents or other individuals who provide or may provide services under this Easement shall complete all background screening requirements as outlined in the above-referenced statutes and applicable School Board Policies. GRANTEE agrees that each of its contractors, employees or agents or other individuals who will be permitted access to GRANTOR'S property while students are present, or who will have direct contact with students, must pass level 2 screening requirements as described in Sections 1012.32 and 435.904, Florida Statutes. GRANTEE agrees to bear any and all costs associated with acquiring the required background screening.

Default. An event of default shall be deemed to have occurred by either Party to this Easement if such Party fails to observe or perform any covenant, condition or agreement of this Easement, or breaches a representation contained herein, and such failure or breach continues for a period of thirty (30) days after written notice specifying such default and requesting that it be remedied is sent to the defaulting Party by the non-defaulting Party; provided, however, that if the default is curable but cannot be cured within thirty (30) days, then the defaulting Party shall have such additional time as is reasonably needed to cure such default so long as the defaulting Party promptly commences and diligently pursues the cure of such default to completion. This Easement is and shall be subject and subordinate to any conveyance and ground or underlying leases and the rights of the GRANTOR under those leases, and to all financing that may now or hereafter affect the leases, the Easement Area or the School, or any portion thereof, and to all renewals, modifications, consolidations, replacements and extensions thereof. This provision shall be self-operative and no further instrument of subordination shall be necessary. However, in confirmation of this subordination, GRANTEE shall execute within ten (10) business days from receipt of request, any certificate that the GRANTOR may request.
