

October 2017 Town Council Meeting

From the Desk of Mayor Peggy R. Bell

The Town is committed to operating in a manner that is transparent. Each month I have the privilege and honor to represent the Town at various intergovernmental and community meetings, workshops and events that allow me to gain greater insight about the needs of our community. I also learn of best practices that have been implemented by other municipalities and organizations throughout the country that may help to improve the quality of life for residents within the Town. Below, is a brief report of the meetings and events that I attended since September 21, 2017.
