BACKGROUND AND ANALYSIS

Town staff has proposed amendments to the Land Development Regulations that will strengthen Code Compliance and Standards. The goal of this proposed Ordinance is to amend several sections in the Town's Land Development Regulations to provide clear and balanced regulations that reflect the vision of the Town while meeting the needs of the residential and commercial developments.

The Town last amended its Land Development Regulations on April 20, 2016 via Ordinance #16-03. Some of the proposed amendments are recommended by the Town's Code

Compliance Officers who enforce certain provisions of the Land Development Regulations, and have determined that changes will further improve the residents' quality of life and vision for the Town.
