Hi Lakeesha,

Congratulations! I heard back from our National Office and your Action Plan has been approved! The National Office will be sending us a certificate in the mail stating that you have now completed your Action Plan and you are moving into the implementation phase of the Age-Friendly Network.

Once we receive the certificate, we will frame it. Let us know if you want us to present it to the City Council or if you want to do anything to promote that you have completed Phase 1.

Best,
Laura

Please find attached the draft of the Town's Age-Friendly Action Plan for peer review. The Town is collaborating with our Communities for a Lifetime (CFAL) committee to develop this action plan. We hope to finalize it and go to the Town Council for formal adoption within the next few months.
