

TOWN OF CUTLER BAY

2019-03

State Legislative Session

Funding Request

PROJECT:

US1/SR5 at SW 186 St./SR994

Pedestrian Safety Improvement

STATE REQUEST: \$391,902

US1/SR5 at SW 186 St./SR994 Pedestrian Safety Improvement

Project Abstract:

The Florida Department of Transportation is developing the design for roadway improvements along SR994/SW 186 Street from east of SR821/Florida's Turnpike to SR5/US 1 in Miami-Dade County (See *Attached Public Hearing Notification*). **The Town requests that FDOT extend the project boundaries** to include upgrading pedestrian crossing signs and signals, allowing pedestrians to safely cross SR5/US 1 at SR994/SW 186 Street and access the busway. The estimated cost for this project is **\$391,902** based on a similar project that FDOT completed on US 1/SR5 at SW 200th Street (Project #437873-1-52-01).

The Town requests that FDOT designs and constructs the pedestrian safety enhancements that may include;

- Providing high emphasis crosswalks at the intersection
- Adding median with landscape and steel loop fence
- Removing existing 4-foot wide traffic separator and reduce lane widths to provide wider median
- Installing pedestrian signage
- Repaving and restriping the roadway
- Adding lighting to the northwest and southwest corner of the intersection

PUBLIC HEARING NOTIFICATION

FLORIDA DEPARTMENT OF TRANSPORTATION DISTRICT SIX

State Road (SR) 994/Quail Roost Drive/SW 186 Street
From east of SR 821/Florida's Turnpike to SR 5/US 1/South Dixie Highway
Project Identification Numbers: 429341-2/4-52-01

The Florida Department of Transportation (FDOT) is developing the design for two roadway improvement projects along SR 994/Quail Roost Drive/SW 186 Street from east of SR 821/Florida's Turnpike to SR 5/US 1/South Dixie Highway, in Miami-Dade County.

PROJECT DETAILS

- Installing plastic poles in the median along SR 994/Quail Roost Drive/SW 186 Street between SR 5/US 1 and the busway
- Updating the existing traffic light at the southbound approach at Homestead Avenue
- Repaving and restriping the roadway
- Upgrading pedestrian crossing signs and installing new signals
- Reconstructing damaged driveways and sidewalks
- Improving drainage
- Upgrading traffic signs

ESTIMATED PROJECT COST

\$2.1 million

PROJECT DATES

Work is expected to begin in June 2021 and last about eight months. Please note that the construction duration is subject to change.

MUNICIPALITIES IN PROJECT AREA

Unincorporated Miami-Dade
Town of Cutler Bay

POSSIBLE EFFECTS DURING CONSTRUCTION

Work will be done in phases to reduce the effects of construction on the community.

MAINTENANCE OF TRAFFIC

Temporary lane closures will be during non-peak hours and will have minimum impacts on traffic. Access to all businesses will be maintained during construction. Pedestrian traffic will be temporarily impacted.

PUBLIC HEARING NOTICE: In order to offer you the opportunity to review these projects designs and answer your questions, we invite you to join us:

TIME AND DATE: 5:30 p.m. to 7:30 p.m., Wednesday, December 12, 2018
LOCATION: South Dade Regional Library
10750 SW 211 Street
Cutler Bay, FL 33189

The hearing will be an open house, from 5:30 p.m. to 7:30 p.m., with a formal presentation starting at 6 p.m. Graphic displays will be shown and FDOT representatives will be available to discuss the project and answer questions. Public participation at this hearing is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Pursuant to the provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this hearing is asked to advise the agency at least seven days before the hearing by contacting: Hong Benitez, P.E. at (305) 470-5219 or in writing: FDOT, 1000 NW 111 Avenue, Miami, FL 33172, email: Hong.Benitez@dot.state.fl.us. If you are hearing or speech impaired, please contact the agency using the Florida Relay Service, 1 (800) 955-8771 (TDD) or 1 (800) 955-8770 (Voice).

FOR MORE INFORMATION

If you have any questions or comments, please contact FDOT Community Outreach Specialist Rodolfo Roman at (305) 470-5477 or by email at Rodolfo.Roman@dot.state.fl.us. Please let us know how you prefer to receive information about future projects. Your comments are important to us. Please visit our website: www.fdotmiamidade.com. Thank you for your participation.
