Dear Ms. Morris:

I am pleased to inform you that the **Town of Cutler Bay** has been awarded a matching grant of **\$7,462.50** for the **Cutler Bay Reforestation Project**, as part of the 2019 Neat Streets Miami Street Tree Matching Grant Program.

Your project will help us reach Million Trees Miami's goal of achieving a 30 percent tree canopy for Miami-Dade County. Furthermore, the County recognizes the vital role that this project will play in enhancing the environment, quality of life, and economic vitality of our community.

We are delighted to partner with you on the realization of this project. Together, we will make an investment in street trees so that others will be inspired by our efforts and plant more trees in the future.

Your grant will be formally executed by means of the contract attached to this Award Letter. We look forward to working with you to implement your project.

Sincerely,

**Honorable Dennis C. Moss**  
 Chairman, Neat Streets Miami  
 Miami-Dade County Commissioner, District 9
