Subject: Recommendation to Award Contract to ITB 19-01 for Lakes by the Bay Canoe/Kayak Launch Project

Date: 4/30/2019

Marlin Engineering performed a due diligence review of the proposals for responsiveness and found the Proposal submitted by V Engineering & Consulting Corporation to be responsive and met all the minimum qualifications and provided all of the necessary references for this solicitation. V Engineering & Consulting Corporation has been in business for over 8 years as a Florida Corporation, primarily serving the Miami Dade Water and Sewer Department.

For the above stated reasons, Marlin Engineering, recommends that the Town execute a contract with V Engineering & Consulting Corporation for the "Lakes by the Bay Canoe/Kayak Launch", ITB# 19-01, in an amount not to exceed \$597,000.00.
