From the Desk of Mayor Tim Meerbott

Dear Residents:

The Town is committed to operating in a manner that is transparent. Each month I have the privilege and honor to represent the Town at various intergovernmental and community meetings, workshops and events that allow me to gain greater insight about the needs of our community. I also learn of best practices that have been implemented by other municipalities and organizations throughout the country that may help to improve the quality of life for residents within the Town. Below, is a brief report of the meetings and events that I attended this month.

Feel free to contact me if you have questions about the monthly report via email at tmeerbott@cutlerbay-fl.gov or (305) 234-4262.
