Significant Changes from the FY 18/19 Adopted Budget:

- A Placeholder amount utilized pending finalization of revenue estimates from State and/or County
- B This revenue category has been trending down the past few years. Budget in line with FY 2019 projection
- C Increase reflects higher occupancy rate in the CBTC building
- D Increase reflects better interest rate environment and level of cash balances available for investment

Significant Changes from the June 27, 2019 Budget Workshop:

- 1 Change reflects utilization of July 1, 2019 certified taxable value issued by Property Appraiser
- **2** Change reflects issuance of the official revenue estimate for this category by the State
- This category was reduced based on some initial guidance from the County that our 2019 FPL franchise fee payment might be slightly less than the 2018 payment. Given the unpredicability of this payment on a year to year basis, we determined it prudent to reduce this revenue category (we should know the exact 2019 amount sometime in early to mid August and we can adjust this category as necessary for the 1st Budget Hearing)
- 4 Reflects receipt of a mini-grant to provide for adult programming activities (managed by the Parks Dept.)
- 5 Change reflects fine tuning of the projected interest earnings calculation

Significant Changes from the July 29, 2019 Budget Workshop:

- a Change reflects utilization of the "ceiling" millage rate (2.6047 mills) as advertised by the Miami-Dade Property Appraiser
- **b** Change reflects revised Department of Revenue estimates, budgeted at 95%
- c Change reflects anticipated results from final pro-rated year of payments from Miami-Dade County and pro-rated 1st year of payments based on the Town's own agreement with FPL
- d Change reflects lower anticipated revenues based on recent trends
- e Change reflects revised estimates for certain miscellaneous revenues
- f Change reflects fine tuning of the projected interest earnings calculation
- g Change reflects elimination of the part-time grant writer position (\$44,879 savings), offset by in increase in other contractual services (\$36,000) for a grant writing consultant

Significant Changes from the FY 18/19 Adopted Budget:

A - Increase in salaries and benefits due primarily to anticipated merit and COLA pay adjustments as well as to projected increase in health insurance premiums

- B Increase relates primarily to increased services provided for in the new landscape maintenance contract (approximately \$405,000), and increases for Town sponsored events (approximately \$32,000), janitorial services (\$20,000) summer camp activities (\$5,000) and other programs/events (\$12,000), offset by a decrease in Saga Bay Park clearing costs (\$15,000). NOTE - the landscape maintenance contract is still in the RFP process and has not yet been awarded. The amounts could change and only "placeholder" amounts have been included in this budget draft
- C Increase reflects pool resurfacing costs (\$20,000), playground and shade structure inspections and maintenance (\$12,000), plus an increase in general park maintenance (approximately \$10,000)

Significant Changes from the June 27, 2019 Budget Workshop:

- 1 Salaries and benefits increased as a result of budgeting four (4) part-time Park Service Aides rather than contract out those duties
- 2 Other contractual services decreased as a result of renegotiating landscaping services at current rates rather than move forward with a revised arrangement that provided for additional services at significantly higher costs
- 3 Decrease results from elimination of pool resurfacing costs
- 4 Increase results from budgeting for fencing at Lincoln City Park
