From the Desk of Mayor Tim Meerbott

Dear Residents:

The Town is committed to operating in a manner that is transparent. Each month I have the privilege and honor to represent the Town at various intergovernmental and community meetings, workshops and events that allow me to gain greater insight about the needs of our community. I also learn of best practices that have been implemented by other municipalities and organizations throughout the country that may help to improve the quality of life for residents within the Town. Below, is a brief report of the meetings and events that I attended this month.

Feel free to contact me if you have questions about the monthly report via email at tmeerbott@cutlerbay-fl.gov or (305) 234-4262.

Moving to a New Normal

Mayor Carlos A. Gimenez's *Initial Reopening Plan* identifies non-essential businesses allowed to open Monday, May 18 with stringent capacity and safety rules in place. Businesses may wish to enforce more stringent guidelines or procedures. Municipalities may choose to follow Miami-Dade County's guidelines or enact stricter requirements, but they cannot be more lenient. In addition, some businesses cannot reopen until a later date. #2020Census

The results of the #2020Census will inform decisions and proportionately allocate hundreds of billions of dollars in federal funding to communities across the country based on the amount of people that get counted—that includes hospitals, fire departments, school lunch programs, and other critical programs and service. It will also determine how many seats in Congress each state gets. If you have any questions about the 2020 Census, contact Florida's Census Regional office at (470) 889-6800.
