ARTICLE VI. - BOARDS, COMMITTEES, COMMISSIONS

DIVISION 1. - GENERALLY

Sec. 2-268. - Establishment of boards.

Pursuant to section 3.9 of the town Charter, the town council shall establish such advisory boards, committees, task forces, and bodies (the "boards") as it may deem advisable. All boards so established shall report their findings to the town council. Unless otherwise provided by law, all boards shall serve at the pleasure of the town council. Appointees may be removed from their appointive position upon:

- (1) The written notice of the town council member that sponsored the appointee; or
- (2) By subsequent motion of any member of the town council and upon vote of removal by a supermajority of the members of the town council.

A newly established board shall commence within 100 days of having been established. A board that does not commence within this timeframe shall be automatically dissolved, unless otherwise extended by the majority of the town council.

(Ord. No. 10-08, § 2(a), 7-21-2010; Ord. No. 11-08, § 2(a), 7-26-2011; Ord. No. 13-01, § 2(a), 1-16-2013)

Sec. 2-269. - Appointment to boards.

The town council shall determine how many board members shall serve on a board. If a board has at least five board members, each town council member shall have the right to appoint an individual to the board. A town council member shall make his appointment within 90 days after establishment of a board, a vacancy of that board, or upon being sworn into office. If a town council member fails to make his appointment within the 90 days, any member of the town council may bring forth a nominee for town council consideration. If a board has more or less than five members, the town council shall determine the method in which the board members will be selected. No council member shall hold any appointive office on any board. However, town council members may serve as an ex officio, non-voting member or council liaison to the board if approved by the town council. The town council shall determine the term of the board members serving on a board. The term of a town council member's board appointee may be extended up to 90 days beyond the town council member's term of office, without action of the town council. However, the former council member appointee shall vacate his seat immediately upon the newly elected, reelected, or appointed town council member making his appointments. Upon the newly elected, reelected, or appointed town council member(s) taking office, he shall have the right to appoint board members to all seats vacated by the expiration of the previous town council member's term. The town shall post notice of a vacant board position to give residents an opportunity to serve on the board and such notice shall be posted two weeks prior to the appointment being made.
